Welder

Tracom, a division of Buyers Products, a leading manufacturer in the work truck industry, is seeking welders of all skill levels and on all shifts (1st, 2nd, 3rd) to join our teams in the aluminum and steel divisions. In this position, you will be exposed to some of the most high-tech welding and fabricating tools in use in the industry. Additionally, you will be able to help support our company's vision of delivering products of the highest quality to our customers.

Duties & Responsibilities:

- Demonstrated skills using MIG and TIG welding processes.
- Welding components in flat, vertical, or overhead positions.
- Adhere to safety procedures and process.
- Examining work pieces for defects and measure work pieces with straightedges or templates to ensure conformance with specifications.
- Welding separately or in combination, using aluminum, stainless steel, cast iron, and other alloys.
- Receives instructions, prints, and work orders for the job. Plans details of working procedure and tools and material requirements.
- Fabricates equipment by cutting, burning, and welding various metals.
- Cleans and prepares surfaces to be welded. Sets up, assembles, and tacks weld parts.
- Builds up worn or defective surfaces.
- Uses burning equipment to dismantle assemblies and to cut material to size and shape.
- Perform related duties as assigned.

Skills & Experience:

- GED or High School diploma required, certificate from a technical or vocational school is preferred.
- Understand and apply welding techniques and ability to operate welding equipment with skill
- Steel/Aluminum experience is preferred
- Wire-feed welding
- Mechanical w/hydraulics
- Fabrications with welding and layout

Candidates are given a written & hands on weld test prior to position being offered. Those that possess skill, positive attitude and aptitude may be offered a direct position.

Successful candidate will receive:

- Competitive Compensation
