Heavy Assembler

Buyers Products company, a leading manufacturer in the work truck industry, is searching for a Heavy Assembler to complement the skills and talents of our Assembly Department.

Primary Job Duties:

- Produces components by assembling parts and subassemblies.
- Reads and deciphers schematics, blueprints, and assembly instructions.
- Positions or aligns components and parts, either manually or with hoists.
- Uses hand tools or machines to assemble parts.
- Conducts quality control checks.
- Cleans and maintains work area and equipment, including tools.
- Prepares work to be accomplished by studying parts lists and gathering parts, subassemblies, tools, and materials.
- Positions parts and subassemblies by using templates or reading measurements.
- Assembles components by examining connections for correct fit, fastening parts and subassemblies.
- Verifies specifications by measuring completed component.
- Resolves assembly problems by altering dimensions to meet specifications; notifying supervisor to obtain additional resources.
- Keeps equipment operational by completing preventive maintenance requirements, following manufacturer's instructions, troubleshooting malfunctions, and calling for repairs.
- Maintains a safe and clean working environment by complying with procedures, rules, and regulations.
- Maintains inventory by checking stock to determine supply levels, placing and tracking orders, and verifying receipt of supplies.
- Conserves resources by using equipment and supplies as needed to accomplish job results.
- Documents actions by completing production and quality forms.

Skills/ Experience:

- Previous manufacturing experience
- Mechanical and technical skills
- Physical stamina and strength
- Safety management mindset
- Focus on quality control
- Dexterity and hand-eye coordination, including the ability to grasp, manipulate, and assemble parts and components that are often very small
