Fixture Cage Technician – Tracom

Buyers Products company, a leading manufacturer in the work truck industry, is searching for a Fixture Cage Technician who will assemble, maintain, and repair fixtures to support manual and robot welding production. The Fixture Technician will also provide support to the machine shop, fabrication department and production engineers as needed. *We are willing to provide training to an individual with a strong work ethic, good attendance and willing to learn new skills.*

Primary Job Duties:

- Ensures all fixture components are accurate per engineering drawings.
- Assembles and maintains manual and robotic weld fixtures.
- Designs fixtures as required for new and existing products.
- Produces first article weldments for fixture qualification.
- Build tables, carts, and benches as needed to support production.
- Follows internal procedures and processes in accordance with ISO 9001 Certification.
- Collaborates with Engineering, Welding, and Quality on fixture related issues.
- Provides technical support and assists in resolution of manufacturing problems as required.
- Ability to work independently, resolve technical and manufacturing issues with minimal direction, and work as part of a team.
- Maintains good contacts with the machine shop, welding, and engineering departments.

Physical Requirement / Work Environment:

- Standing for long periods of time and walking in manufacturing environment.
- Stooping, kneeling, crouching, and moving frequently.
- May carry up to 50 pounds.

Skills/ Experience:

- Willing to learn new skills (including welding, plasma cutting, assembly, machining, blueprint reading and troubleshooting)
- Good attendance is required
- Must be mechanically inclined
- Welding, fab, machining experience a plus
- Good written/oral communication skills
- Highly motivated self-starter with proactive approach to attacking opportunities

Education Background:

- High School Diploma or General Education Degree (GED)
- 1-2 years related experience and/or training or equivalent combination of both preferred
