Grinder

Buyers Products company, a leading manufacturer in the work truck industry, is searching for a Grinder to complement the skills and talents of our **Department**.

Primary Job Duties:

- Inspect machinery and workpieces to ensure that they remain compliant with specifications to reduce any malfunctions and associated loss of production.
- Ensure grinding wheels are dressed according to specifications so that the machines remain at peak working capability.
- Stop any machines upon discovery of a problem and make the required adjustments as quickly as possible to minimize downtime.
- Provide quality control by inspecting workpieces as they come out of the equipment and removing any defective pieces.
- Operate machinery, including polishing and grinding equipment, to grind any metal workpieces to their prescribed specifications to ensure high-quality products.
- Keep all equipment running by inspecting and performing basic maintenance, including lubrication and cleaning, and scheduling repairs when needed.
- Operate grinder to sharpen tools, cut or shape metal and other materials
- Inspect and measure parts to ensure they meet specifications
- Maintain grinder and keep it in good working condition

Skills/ Experience:

- 2-5 years' experience as a grinder or similar job
- Ability to read and interpret blueprints
- Knowledge of machinery and equipment maintenance
- Ability to work safely and accurately
- Attention to detail and high level of accuracy
- Good communication and interpersonal skills
- Ability to work independently and in a team environment
- Knowledge of various materials

Education Background:

- High school diploma or equivalent
