Quality Inspector

Buyers Products company, a leading manufacturer in the work truck industry, is searching for a Quality Inspector to complement the skills and talents of our Quality Department.

Primary Job Duties:

- Read blueprints and instructions to comprehend the quality expectations for the product and supplies
- Approve or reject raw materials with respect to quality standards and record supplier performance
- Select output samples and check them using appropriate methods (measuring dimensions, testing functionality, comparing to specifications etc.)
- Use automated systems to perform complex testing procedures
- Maintain records of testing, information, and various metrics such as number of defective products per day etc.
- Inspect procedures of the entire production cycle to ensure they are efficient and comply with safety standards
- Monitor the use of equipment to ensure it is safe and well-maintained and discard any that doesn't meet requirements
- Prepare and submit reports to the quality manager

Skills/ Experience:

- Proven experience as quality inspector or relevant role
- A keen eye for detail and a results-driven approach
- Responsible and trustworthy
- Familiarity with quality testing machines and systems
- Thorough knowledge of quality control standards and testing methodologies
- Certification of quality control is a strong advantage
- Working knowledge of MS Office

Education Background:

- High School Degree; Further qualifications will be a plus
