Welder III

Buyers Products company, a leading manufacturer in the work truck industry, is searching for welders to complement the skills and talents of our Welding Department.

Primary Job Duties:

- Interpret blueprints, drawings, and measurements to plan layouts.
- Weld small and large components such as copper plumbing, beams, and pipelines.
- Use specialized machinery for industrial welding and oversee machines that perform the same job.
- Maintain and repair all machinery.
- Assess welded surfaces, structures and components to identify errors.
- Follow and enforce strict safety regulations such as wearing heat-resistant gloves, protective masks, and safety shoes.
- Monitor machinery for appropriate usage and temperature.
- Weld components in flat, vertical, and overhead positions.

Skills/ Experience:

- Excellent knowledge of welding machinery, electrical equipment, and manual tools.
- Ability to read and interpret blueprints and designs.
- Outstanding attention to detail.

Education Background:

- High School Diploma or GED required,
- A valid certificate in welding from an accredited institution is preferred.

Physical Requirements and Work Environment:

- Standing, Walking and Sitting for extended period of times
- Mobility and dexterity to move around operating machinery and powered industrial equipment
- Ability to lift up to 50 lbs
- Ability to operate power tools and vibrating equipment
- Ability to work on site to physically support manufacturing requirements
