Senior Welder

Buyers Products company, a leading manufacturer in the work truck industry, is searching for a Senior Welder to complement the skills and talents of our Welding Department.

Primary Job Duties:

- Demonstrate skills using MIG or TIG welding processes
- Analyze all welds to ensure they are free of porosity and discontinuities
- Report drawing errors
- Ensure that the supply of consumables, i.e. gas, welding wire etc. does not run which could affect the job
- Work with supervisor to ensure stock levels are maintained
- Maintain equipment and machinery

Skills/ Experience:

- 5+ years of Steel/Aluminum experience is preferred
- Understand and apply welding techniques and ability to operate welding equipment with skill
- Wire-feed welding
- Must be a critical thinker with a demonstrated sound work ethic
- Demonstrate dexterity and attention to detail

Education Background:

- GED or High School diploma required, certificate from a technical or vocational school is preferred.
- Welding Certification
