INSTALLATION INSTRUCTIONS

16071220

DODGE HB1/HB5 QUAD

HEADLIGHT ADAPTER KIT

DODGE	1999-2001	RAM 1500 - QUAD ONLY
	1999-2002	RAM 2500/3500 - QUAD ONLY

INSTALLATION INSTRUCTIONS

For use in combination with 16071120 adapter only

- 1.** Install the 16071220 adapter onto the truck headlights.
 - A. The 3-wire plug connects to the outboard headlamp.
 - B. The 2-wire plug connects to the inboard (high beam only) headlamp.
- 2.** Install the 16071120 adapter per instructions and connect to the 16071220 adapter. This will allow the inboard high beams to function properly.
